Connecting Communities –Pursuing Careers! 4th Annual CHRD Regional Career Fair 2011

CONNECTING BUSINESSES AND COLLEGES LEARNING ABOUT PLANNING EARLY FOR CAREER SUCCESS

The 4th Annual CHRD Regional Career Fair brings students, graduates, and community members in contact with the top echelon of Employers & Educational Opportunities on and outside the Territory. The Career Fair will be held on **October 19, 20, 2011**, at the Gathering Place, Waskaganish, QC.

The mission!

The Regional Career Fair wants to interface employers from all over the territory with the talented candidates that live in all Cree communities, inland and coastal. In times of globalization, working and studying outside the communities has become an essential element of professional success. Cree Human Resources Development has the mandate to provide skills development, training programs and services and employment insurance services in the nine Cree communities and throughout the Territory.

This year's theme is, "Connecting Communities, Pursuing Careers".

The Fair is a two-day recruiting event, which enables candidates to directly interact with employers, industries and educational institutions. In addition, there is plenty of opportunity for networking and to get specific information about job & academic opportunities at the booth exhibits; and to help you learn and plan for your Career.
