

# Share your vision... of life on the land

## Young Cree artists:

**your work could be featured on the cover of a national publication!**

If you're a student in primary or secondary school, or are interested in art of any kind, and you are now under 20 years old, we invite you to submit your own **original artwork** to this contest.

The winner will see his or her artwork on the cover of the Canada-Cree Nation Eeyou Marine Region Treaty on the offshore areas in James and Hudson Bays!

The theme of your piece should be **Life in the offshore areas** or **Life on the land**. We want to see your vision of Cree culture and life in Eeyou Itchee.

The Grand Prize also includes a deluxe trip to Canada's Capital, with plane tickets, meal allowance for 2 and tickets to an Ottawa Senators game!
